

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

WASHINGTON

Washington Department of Commerce

REBATES AVAILABLE

Rebates are scheduled to begin on March 15, 2010. Rebates may be offered for a limited time only. The rebate program will end when funds run out. Before making a purchase, confirm funding and requirements at www.cashforapplianceswa.com.

PRODUCT	REQUIREMENTS	AMOUNT
Clothes Washers	ENERGY STAR qualified models with a Modified Energy Factor (MEF) of at least 2.46 and a Water Factor (WF) not more than 4.0.*	\$100
Refrigerators	ENERGY STAR qualified. Has a volume greater than 9 cubic feet.	\$75

*Exceeds current ENERGY STAR criteria.

HOW TO APPLY

Applicant must sign an affidavit confirming that all program terms and conditions have been met. Mail-in rebates will be paid on a first-come, first-served basis. Rebates for refrigerators will require documentation that the replaced unit has been recycled. Additional information will be provided on the Web site as it becomes available.

ELIGIBILITY

Rebates are available to residential consumers in the State of Washington. Customers must replace existing appliances with new appliances. Each residential consumer will be eligible for a single refrigerator rebate and a single clothes washer rebate. Rebates are for purchases made from Washington State Retailers or where evidence of payment of Washington State Sales tax is provided (exceptions include purchases made at military exchanges located in Washington or for purchases made by tribal members with delivery to residences on tribal lands in Washington State). Rebates are not retroactive.
